This is a genuinely walkable central address. Piraeus metro and railway station is 500 m — six minutes on foot — with Line 3 running direct to central Athens and the airport. The port is 600 m, the commercial centre 600 m, the Municipal Theatre 700 m, and the University of Piraeus 1.2 km. Marina Zeas and Pasalimani are 1.7 km, Mikrolimano 2.5 km, Tzaneio General Hospital 1.5 km.

Five two-bedroom apartments taking the whole of the second floor of a five-storey building, 47.33 to 60.83 m². Each has a living area, kitchen, two bedrooms and one bathroom — practical rather than decorative planning, with well-proportioned living space and good natural light. Delivery is scheduled for the end of January 2027 and all five are open for reservation.

The threshold follows the zone and the route

The qualifying threshold is set by the zone the property sits in and by the route chosen, and must be confirmed for each individual unit. The €250,000 level is not location-based: under current law it applies only where a non-residential property has been converted to residential use, or where a listed building is restored. We confirm the route and the supporting file for every unit before reservation.

RENTAL OUTLOOK

Central Piraeus produces year-round tenant demand from professionals, university students, port employees and international visitors, and a two-bedroom unit six minutes from the metro sits at the centre of that demand. The direct Line 3 connection to the airport also supports the short-stay market where regulations permit it.
